Have you ever stayed in a room without enough outlets to plug in your cell phone, notebook computer, MP3 player, PDA, digital camera or other gear? With **Outlets To Go™**, it's a frustration road warriors will never experience again. The award-winning Monster® design team created a truly portable outlet strip, designed for travel from the ground up. Exclusive thin design Monster features include FlatProfile™ Plug, FlatWrap™ Cord, and space-saving Dual-Side layouts. So light and compact, you'll bring **Outlets To Go** on every trip.

Who cares? Anyone who travels with electronics
Why bother? So you'll never be inconvenienced again without enough outlets.
